

## **CORPORATE CAPABILITIES**

**LPC Consulting Associates, Inc.**, established in November 1994 as a woman-owned small business, is based in Sacramento, California (incorporated in August 2001). LPC Consulting Associates, Inc. specializes in program evaluation, based on over 25 years of experience in survey and evaluation research by principal, Lynne P. Cannady. LPC Consulting Associates, Inc. (LPC) provides many types of consulting service in pursuit of accountability, informed decision-making, planning, capacity building, and creative program development and implementation in the public sector. LPC routinely applies a logic model framework to evaluation, and engages client organizations and their staff in the development of the logic model and determination of best measures of program and client effectiveness. LPC provides individualized consultation services for research and evaluation, as well as in technical assistance and training, related to issues in the following areas:

- Adoption and foster care services
- Afterschool programs
- Alcohol and other drug abuse
- Child abuse prevention
- Child care provider retention
- Child welfare system redesign
- Community collaboration and service integration
- Crime and delinquency
- Domestic violence prevention, intervention, and services
- First 5 program and county level evaluation
- HIV/AIDS needs assessment
- Home visiting and family support services
- Inmate/ward grievance policies and procedures
- Nonprofit management and organization development
- School readiness
- Strategic planning for nonprofit organizations
- Systems change
- Teen pregnancy prevention
- Tobacco use prevention
- Youth development
- Youth permanency
- Youth tutoring and mentoring

LPC is under the direction of Lynne Cannady and consists of an association of consulting professionals who collaborate based on complementary skills and mutual interests, as well as the specific needs of each client. In addition to Project Director/Research Analyst Ms. Cannady, LPC staff include: Data Systems Manager, Charles de Watteville; Research Associates Tracey Weld and Allison Burke; and Research Assistant, Emily Carsell. LPC collaborates with other research and evaluation specialists as needed, including those who can facilitate cultural and language-specific inquiry and analysis. This document contains a list of current and completed projects. Contact information of references by project is available on request.
